***Policy Title:** Borrowing Privileges - Collaborative Baccalaureate Nursing Program

Policy Number:

***Date Established: [original date of approval]** May 21, 2019

***Office with Administrative Responsibility:** Leddy Library

***Approver:** Leddy Library

***Revision Date(s): [fill this in each time an amendment is approved]**

Introduction /Background / Purpose

To explain the privileges and procedures for Nursing Program students who are part of the Collaborative Baccalaureate Nursing Program – both at U. of Windsor and at St. Clair and Lambton Colleges

Application / Scope of Policy

Students begin their classes at either Lambton College (Sarnia), the University of Windsor, St. Clair College (Windsor campus), or St. Clair College (Thames campus). The curriculum model provides for the first two years of the program to be offered on all four sites. All students then move to the University campus for their third-year courses and the first semester of their fourth year. They will conclude their programs by registering on their original home campus for the second semester of the fourth year.

Library Privileges

Full undergraduate library privileges will be available to students in the Collaborative Nursing Program only when they are registered as University of Windsor students during their 3rd year and the first semester of their 4th year.

At all other times, Collaborative Nursing students may purchase an External Borrowers Card: \$10 for 4 months or \$25 for 1 year.

Faculty members from St. Clair College and Lambton College are eligible for External Borrowers Cards at no cost upon presentation of appropriate identification.

External Borrowers Cards do not include off-campus access to electronic databases at the Leddy Library.
